2013 Sandoval County Road Inventory

**Action Requested:**

Motion to Adopt Resolution No. 2-21-13.9B Certifying the 2013 Sandoval County Road Inventory

**Summary:**

The County is required by Section 66-6-23 NMSA 1978 to identify each public road it maintains and to have the Board of County Commissioners certify the total miles maintained, by road name, route and location.

The Annual County Certified Maintained Mileage Report must be submitted to the Secretary of the Department of Transportation on or before April 1<sup>st</sup> of each year in order to remain eligible to receive funding from the State. These funds are used to help fund our road maintenance operation throughout the County. The 2013 Road Inventory accurately represents the 1,516.15 miles maintained by the County. Staff recommends approval.

**FISCAL IMPACT**

The Public Works Division receives revenues from the State of New Mexico Taxation and Revenue Department (NMRTD) in the form of gasoline taxes and motor vehicle registration fees. The NMRTD collects and distributes this funding to counties based upon the number of certified road miles maintained. For 2013 fiscal year we budgeted \$539,819 in gasoline tax and \$433,323 in motor vehicle fees for a total of \$973,142.
